ASHHAR SHAHAN

Python Full Stack Developer

Kerala 673571, India • +91 96458 99666 • ashharshahan666@gmail.com • ashharshahan.vercel.app

PROFESSIONAL SUMMARY

Motivated Python Full Stack Developer with 8+ months of hands-on internship experience designing and deploying dynamic web applications. Proficient in Django, JavaScript, HTML5, CSS3, Bootstrap, and MySQL with a strong grasp of RESTful API development, MVC architecture, and relational database design. Passionate about writing clean, optimized, and maintainable code. Proven ability to take projects from concept to deployment in collaborative, deadline-driven environments. Actively seeking a junior developer role to grow and deliver real-world impact.

TECHNICAL SKILLS

Languages: Python, JavaScript (ES6+), HTML5, CSS3, SQL **Frameworks & Libraries:** Django, React.js (Basics), Bootstrap
Database: MySQL, Django ORM, Database Design, CRUD Operations **Tools:** Git, GitHub, VS Code, Postman, REST APIs, MVC, Debugging

PROFESSIONAL EXPERIENCE

Python Full Stack Developer Intern | The Futura Labs — Kozhikode, Kerala
July 2025 – March 2026

- Developed responsive full-stack web applications using Django for backend logic and HTML5, CSS3, JavaScript, and Bootstrap for frontend, ensuring cross-browser compatibility and mobile-first design.
- Designed and integrated RESTful APIs to connect frontend interfaces with backend services, streamlining data flow and improving application performance.
- Built and optimized MySQL database schemas; leveraged Django ORM for efficient data modeling, querying, and relationship management.
- Implemented user authentication, session management, and form validation features across multiple practice projects.
- Conducted debugging and code reviews, consistently refactoring code for readability, reusability, and performance optimization.
- Collaborated with peers on project planning and development workflows, gaining real-world experience in the full software development lifecycle (SDLC).

PROJECTS

Personal Portfolio & Web Apps | Django · JavaScript · MySQL · Bootstrap · Vercel
ashharshahan.vercel.app

- Designed and deployed a personal portfolio website on Vercel showcasing projects, skills, and experience with a clean, responsive UI.
- Built full-stack CRUD applications with user authentication, dynamic data rendering, and RESTful API endpoints using Django and MySQL.
- Developed responsive, mobile-first UIs using Bootstrap and custom CSS, ensuring consistent experience across all screen sizes and browsers.
- Practiced component-based UI development using React.js fundamentals, building interactive frontend features and managing component state.

EDUCATION

Bachelor of Computer Applications (BCA) | Baithul Izza Arts & Science College | University of Calicut
June 2022 – May 2025

- Relevant Coursework: Python Programming, Web Technologies, DBMS, Software Engineering, Data Structures & Algorithms, OOP, Computer Networks.
- Completed academic projects in Python and Django reinforcing full-stack development, problem-solving, and software engineering principles.

HSC – Commerce & Computer Application | Chakkalakkal Higher Secondary School, Kozhikode
June 2020 – March 2022

- Studied Business Studies, Accounting, and Computer Application — built strong analytical thinking and logical reasoning foundations.

CORE COMPETENCIES

Problem-Solving • Logical Thinking • Debugging & Code Optimization • Attention to Detail • Team Collaboration • Self-Motivated Learner • Time Management • Adaptability • Creative Thinking
